

**BEM BRASIL** is a traditional Brazilian Churrascaria (chou-ras-ka-ria) steakhouse, loved throughout Brasil for offering succulent cuts of Beef, Pork, Lamb and Chicken, prepared and roasted by skilled artisans and served by the 'Passadores' who expertly carve the meat at your table.

Alongside the fifteen different cuts of meat, we offer a buffet with an array of salads, freshly prepared vegetables and traditional Brazilian stew dishes.

Prices are per person and are inclusive of unlimited visits to the buffet, and as much meat as you can eat!
